one thing can keep it in your brain. your vote is a your weapon. you can vote for right person to develop our country.

In some areas the people thinking that one-vote can't make the nation success. But I am saying that every single right vote can change the nation.

Finally I am saying that all can vote for best person by seeing his past history and his incidents.

I am concluding that I am vote for right and correct person. and I am thinking that you all can vote for right and correct person.

Government Polytechnic Vishakhapatnam
25th January 2024.

voting is a fundamental duty to every citizen in our country who attended above 18 years in our country. voting is not only duty is our first responsibility. our singal vote can change the country. we can't take the amount for voting.

NATIONAL VOTERS DAY-2024

Elocution on "Nothing like voting, I vote for sure". Award date on 26th January 2024
Batna Himanth pin : 22009-C-067 won prize

Before voting all can think that what the person can did you before and what is the back history of the person and what he tell to done it in the upcoming years.
